

CARTHAGE PUBLIC LIBRARY

# Reading Log

JUNE 1ST - AUGUST 3

For pre-readers through  
students completing 3rd or 4th grade

For pre-readers, record titles and authors of books that someone reads to them, one book per line.  
Independent readers should read books at an appropriate level of difficulty,  
and record the titles and authors, one book per line.

There is also a category called "combo" for children who read some books on their own, and listen to other books that are read to them. We encourage you to check out books from our library (it helps our statistics), but record all books read during the summer, even if they do not come from our library.

Fourth graders may choose to use this reading log or the teen/tween log depending on reading interests.  
Longer books of 100 pages or more will count as 2 books for prizes.

Bring in the reading log periodically during the summer to receive your prizes.

Parents, please sign or initial the reading log each time it is brought in.  
Extra pages are available if you need them.  
Last day to turn in reading logs is August 3rd
