

Building Committee Notes – part 4

Tuesday, December 14, 2021, 2:00 pm, in person at the library

Present: Darren Schretter, John Dittmer, Donna Tracy, Amy Gee

Discussed flooring. Looked at carpet tiles. Of the samples ones we've seen before, we still like "Amplify" from Shaw's Augment line the best. Also looked at ceramic tile (for foyer and bathrooms) and the vinyl planks for the program room. Darren will get some larger pieces of our top choices.

He is still waiting for a meeting to be scheduled with the Mayor to discuss variances. In addition to the parking and setback issues, he will also discuss the plumbing code requirements.
