September is Library Card Sign-Up Month

Please encourage your friends and neighbors to register for a library card. There is no fee for residents of the Carthage Elementary School District.

LIBRARY'S CAPITAL CAMPAIGN

We are excited that our application for a construction grant to build a new library has been approved! It is a matching grant, with the State paying just over half of the cost. The library has until June 30, 2021 to raise our portion of the funds, approximately \$1.2 million.

A fundraising committee has been formed and additional volunteers would be welcome. We are also seeking volunteers to help with mailings, write thank you notes, plan social media and on-line fundraising, and help with other aspects of the campaign. If you are willing, we will find a task that fits your interests and abilities.

We are planning a kickoff event to be held in mid October, details will be announced later.

If anyone has questions about our building plans, please ask the Library Director or a member of the Board of Trustees.

RESOURCES FOR SMALL BUSINESSES

The Library now subscribes to a database called Gale Business Entrepreneurship. This Resource Center provides expertise covering all aspects of starting and operating a business, including finance, management, marketing, human resources, franchising, accounting, and taxes. 24/7 access is available to our patrons using their library card barcode number. Use the link on our website.

InterLibrary Loan Question of the Month

How many items did we receive for our patrons via Interlibrary loan during August 2020? Enter for a chance to win your favorite candy bar.

Congratulations to last month's winners, Lydia and Amy, who correctly guessed Florida as the furthest location from which we received an IL-Loan item in July.

BOOKS for BABIES With the cooperation of Memorial Hospital, our Library and West Central Child Care Connection have been providing bags with parenting information and a board book to families of new babies. The Library would also like to give a bag to our families whose baby is born elsewhere.

If you know someone from our district who had a baby in 2020, please let them know that they can stop in the Library and receive a bag and book. These books were purchased with funding from a Tracy Family Foundation Early Literacy Grant.

Homeschooling??

Remember, our librarians would be happy to help you order materials from other libraries, that may assist you in your homeschooling journey. Interlibrary loan is free of charge! We also have a list of helpful online resources on our [website](#).
