Families work together to keep track of _____'s reading progress! Each time _____ reads during the summer fill in a bubble with the amount of time that they were reading! Each week help the reader add up how many minutes they read! It is recommended that children read at least 1000 minutes every summer to help them keep the gains they made in their reading levels during the last school year! Turn in reading log the week of Aug. 2nd-Aug. 7th.

My Goal is to Read _____ Minutes This Summer!
